IDENTIFICATION NUMBER: C00558437

REFERENCE: JULY QUARTERLY REPORT (05/15/2014 - 06/30/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Your committee filed 48-hour notices reporting the following "last minute" contributions: a 5/21/14 contribution from SEIU COPE (\$5,000) and a 5/28/14 contribution from Progressive Action PAC (\$1,000). However, these contributions do not appear on Schedule A of this report. We note that your committee reported a \$1,000 contribution on 5/28/14 from Progressive Action PAC's treasurer, Diane Evans; however, the Progressive Action PAC's report shows a \$1,000 contribution made to your committee by the PAC. Please amend your report to include the missing contributions or provide an explanation of these apparent discrepancies. (11 CFR § 104.3(a)(4)(i))
2. Schedule A of your report indicates that your committee may have failed to file one or more of the required 48-hour notices regarding "last minute" contributions received by your committee after the close of books for the 2014 12 Day Pre-Primary Report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in
